BOT Report-

Level 2 has been business as usual with changes such as a lot of hand sanitising and no parents allowed on school grounds.

The building project is underway with the refurb of rooms 5-8 hopefully starting at the end of term 2 with classes being moved to the hall until it is finished.

Teacher Erica Rodriguez has gone to USA for family funeral and now back in quarantine.

The production could take place this year, most likely a smaller one than usual.

Sports will start back up at level 1.

General-

Calendar Art is happening, but we have all decided to go ahead and do it all online this year to make the transition easier. Bronwyn to confirm registration and a team to sort out all details.

AG Day will be taking place on 16 & 17 October, which is the usual Friday/Saturday. Shelley and Jas to sort out food trucks. We need sponsors, ideas for raffles and games. Also need a parent leader from each class and that parent/class will be in charge of one activity at AG Day.
