BOT Report-

Biggest school in Auckland for bible school during the last lockdown, with an average of 29-30 kids daily. There has been a drop in juniors work during lockdown, so the Board has funded aides for juniors.

Centenary Celebration postponed. Possibility of making AG Day a celebration for it? All about a mix and mingle for old and new people.

Waiting on consent for building project. 2 story block looking good and if under 10 million, it can get started soon, possibly in Sept/Oct. If over 10 million, will have to go back for review.

New Te Reo teacher has started for years 5-8. Older kids are dying off a bit for the Kapa Haka group so his goal is to bring them back.

Wellness week went great.

General-

Calendar Art is back and Anita has registered, should be out to everyone soon.
